Capture Improper method of Classmates & Labyrinth

第14話 距離感

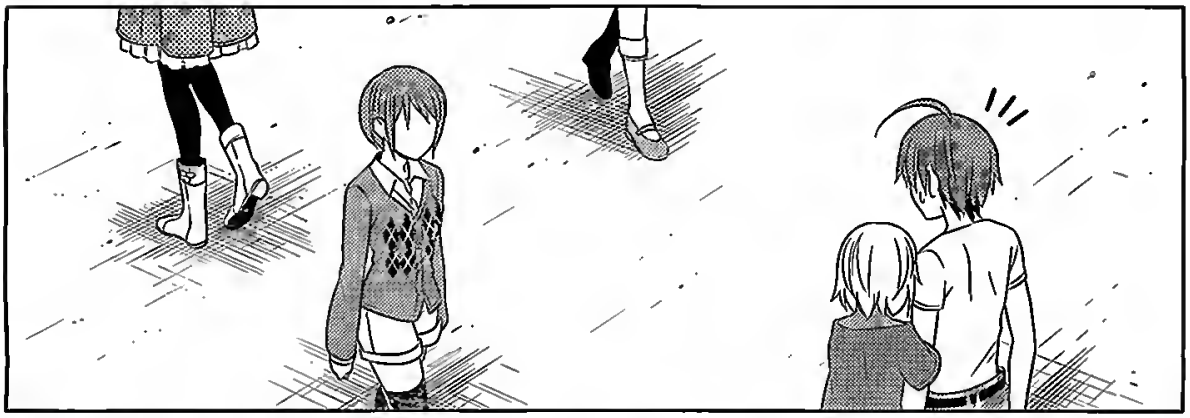
SENSE OF DISTANCE

Overlay: The passing breeze feels great, so I want to get closer to you, even if it's for a second.

Overlay: What lies before him after escaping the labyrinth is the year 2015?!

What do you mean by that?
There's a ton we have to discuss!
Oh right! Since we went through all this trouble, let's go to Himari's house!
ポ
!?
ワク…
...I see.

Anyways, let's move.
スタッ
I do not quite understand the situation, however,
it would surely be troubling if I kept guessing things, huh...



!?
Motoya-!!
グイッ
You're coming with me.

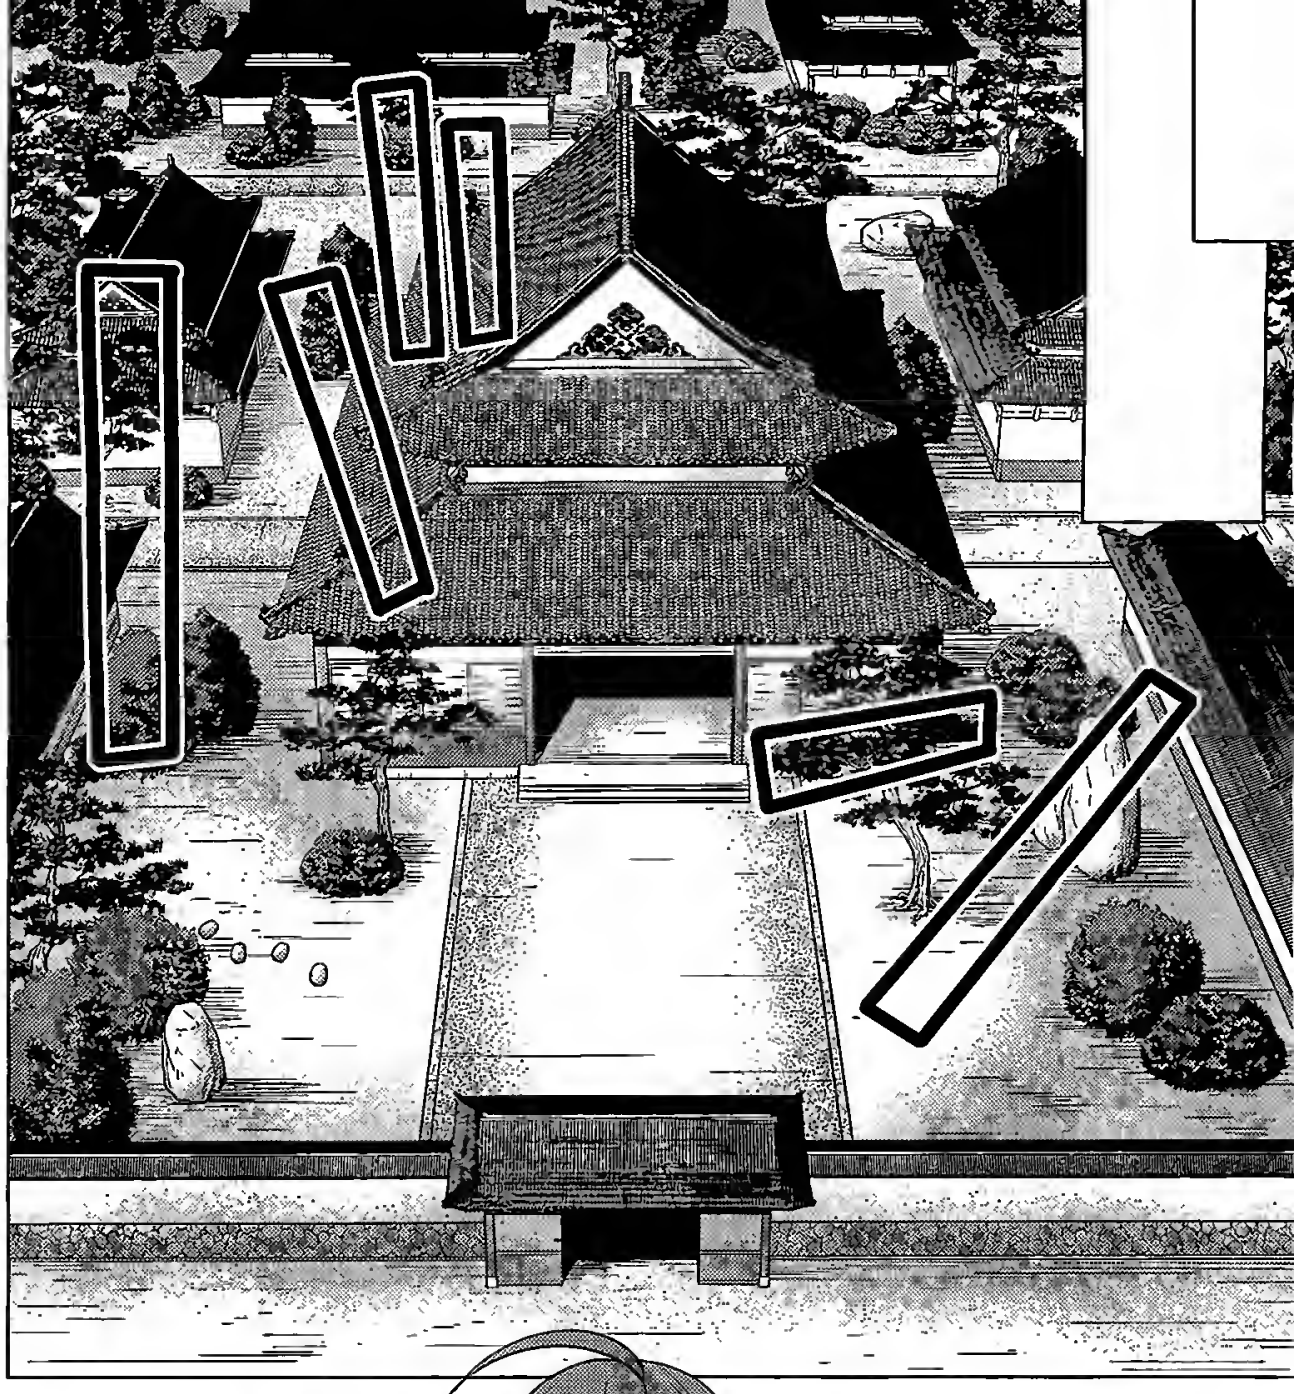
?
ニコッ
!!
チャキ
If you do anything strange, I will shoot you without mercy.
We've already grown tired of losing people.

After that, what...
What happened to Yuri?!
は？！
...“We've already grown tired of losing people.”...
I told you, didn't I?
ルルル

……
Is that right...
I knew it...

No. Anyways, I... Right now, I will seriously face this situation where I'm going to be confronted.
I won't run anymore.
That's what I've decided.
...Huh? What?
You've decided on something weird?
...Ehh~
If you were an imposter and nobody else's...
Maybe you could come to want to be mine...

...Sure.
I am my own.
Nobody else's.
...Well then!
Shall we go?

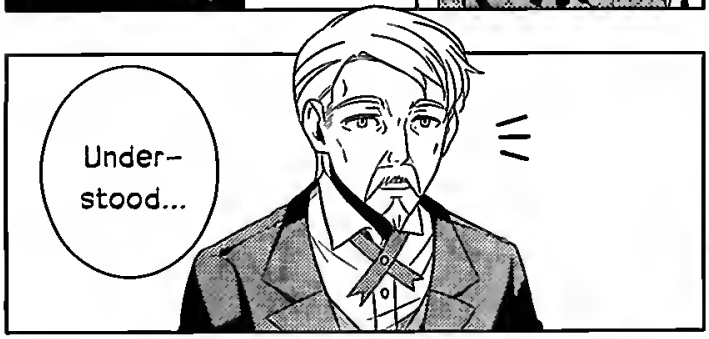


ぽかーん
……

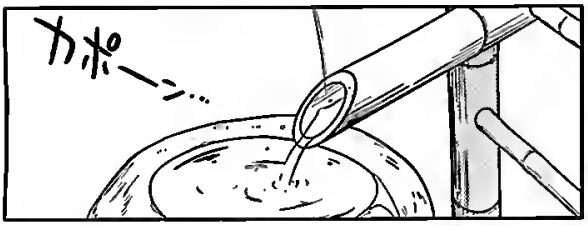
Eh-
キョロ
キョロ
T-Toujou's house...
This place is Hiwatari Nomiya-sama's secondary residence.
Captain is related to the Imperial Family.
It's also because the current guarantor is *Hiwatari Nomiya-sama*.

I'm back, Namori.
I will be secluding myself to my room for a while.
Do not come by.

Welcome back, Milady.

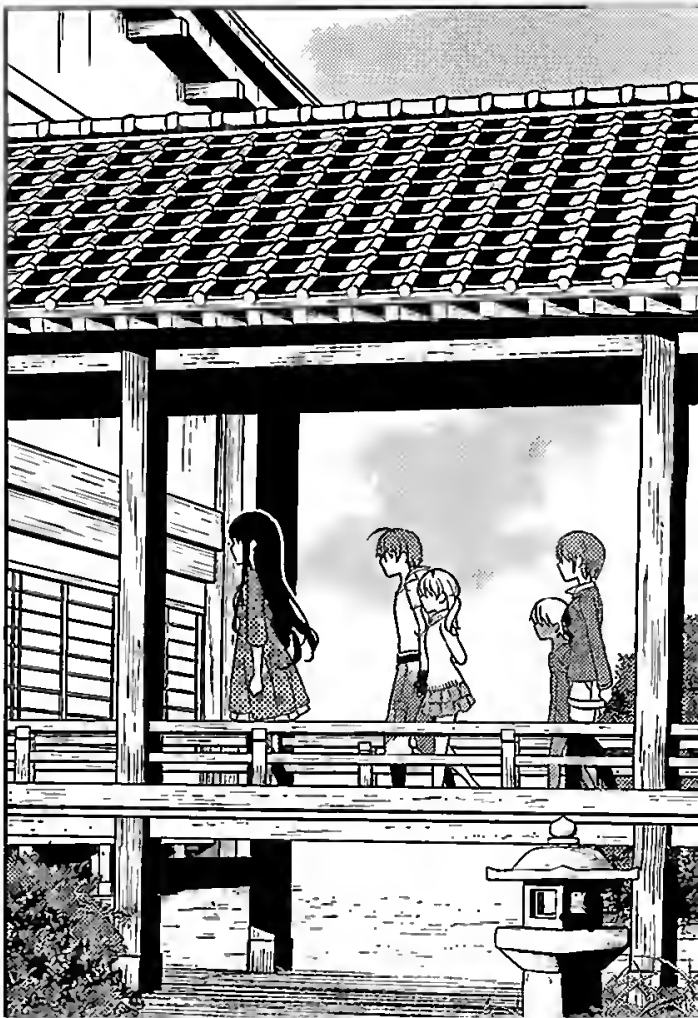


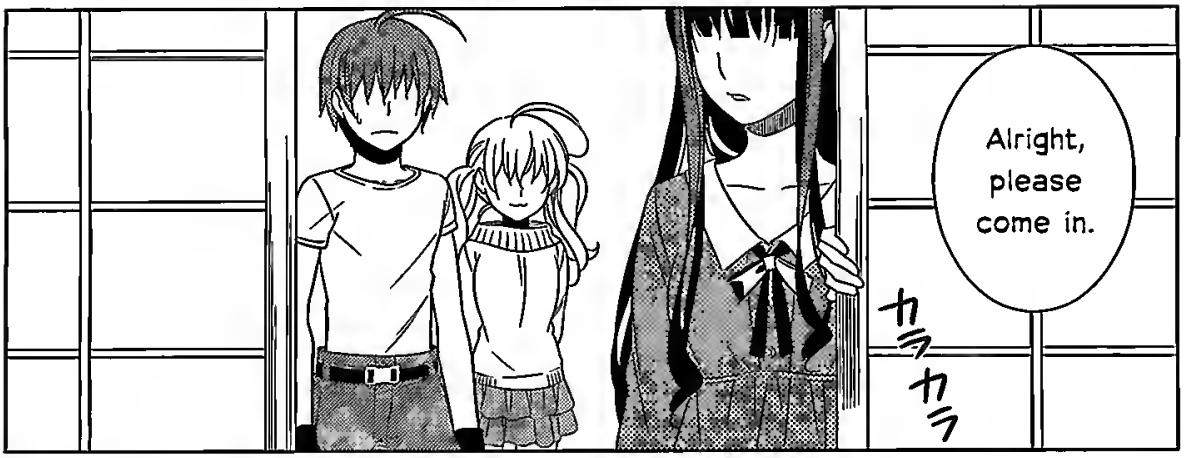
Under-stood...



カポーン...

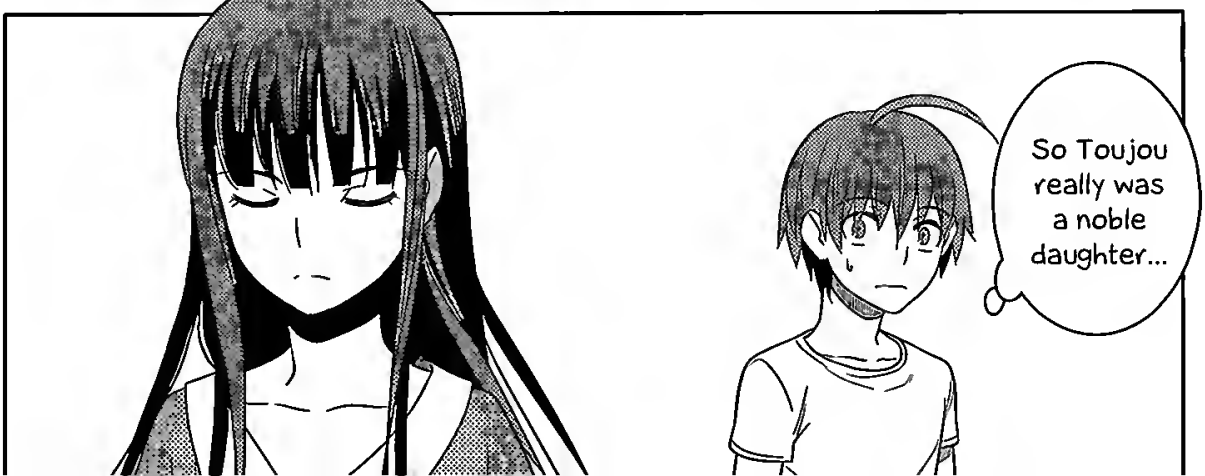
.....
Welcome back.



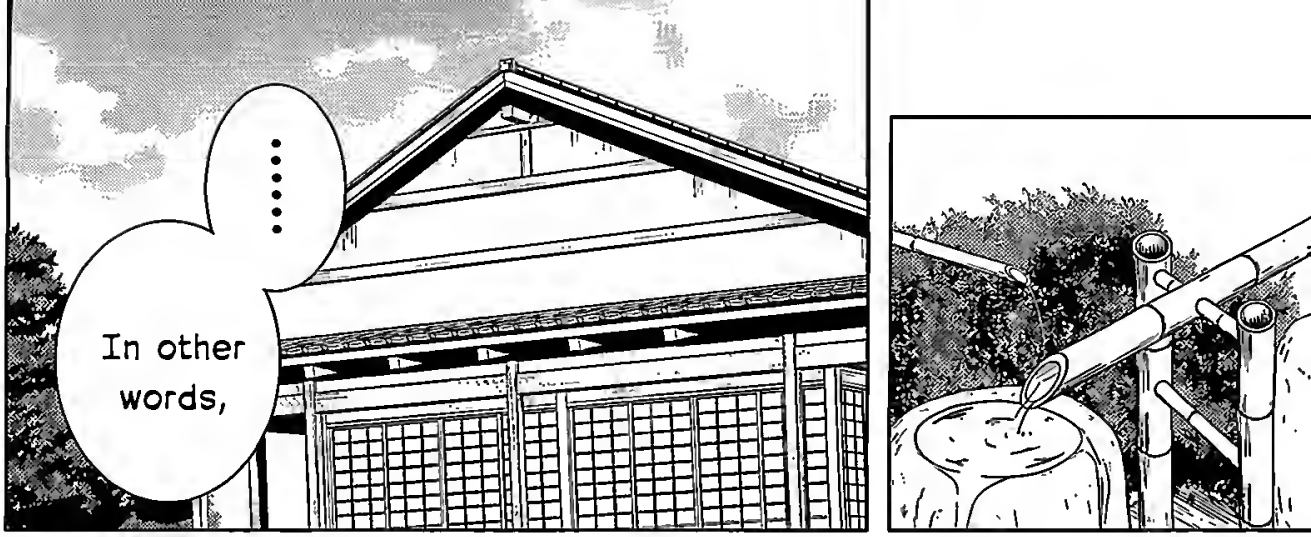


Alright, please come in.
カラカラ

Coming in~

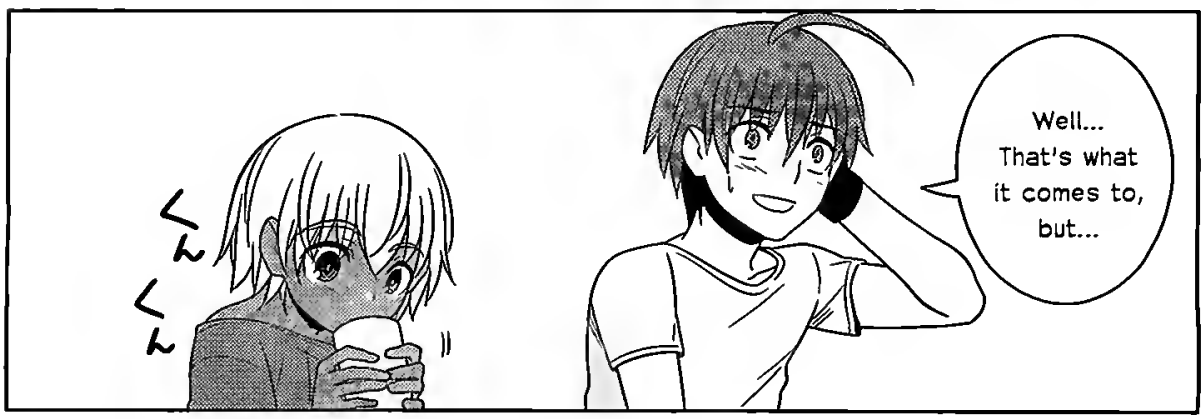


So Toujou really was a noble daughter...

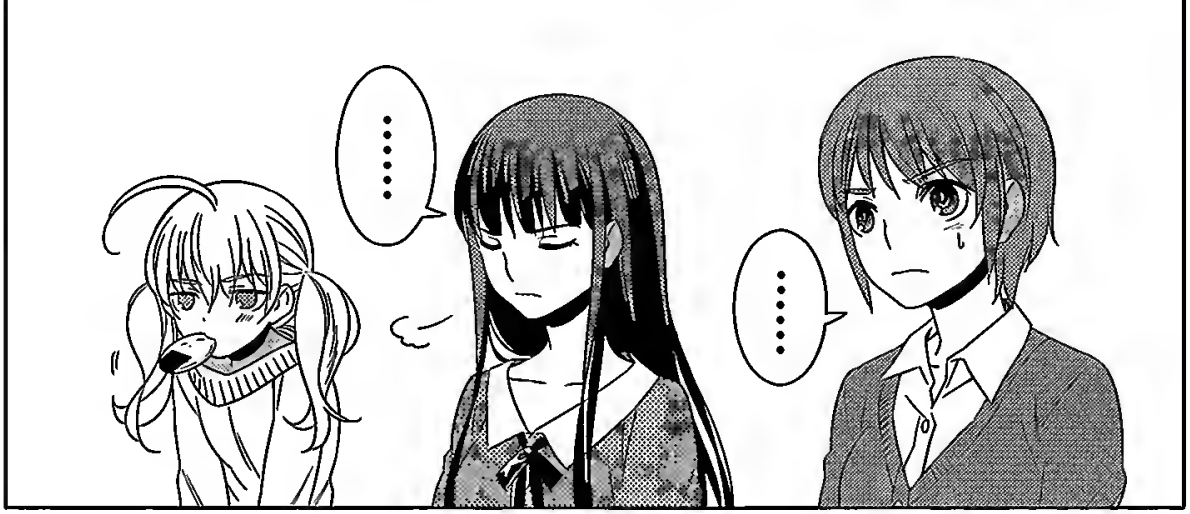


……
In other words,

you're saying that when you escaped the tower with this Irregular, you were in the year 2015?

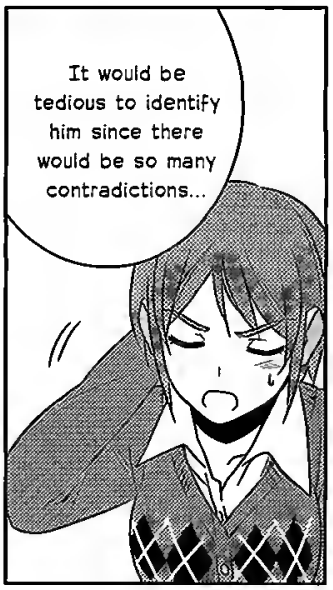


Well... That's what it comes to, but...



.....
.....

Even if you choose to lie, I'll just come up with more to say.
In the first place, how did you two advance in the tower?
You know that since you can't maintain all five senses with just two people, you can't progress within the tower, right?

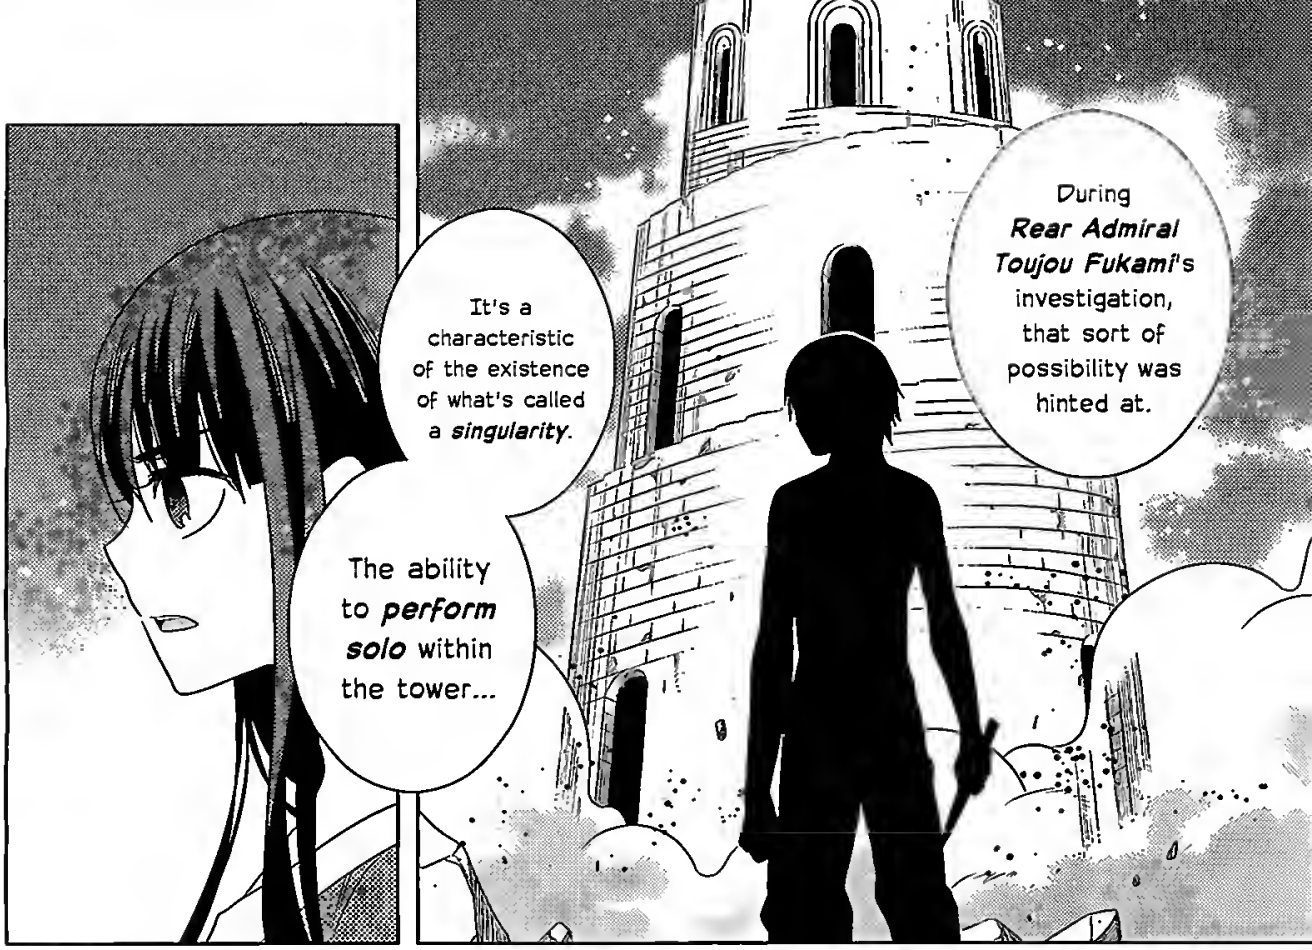


It would be tedious to identify him since there would be so many contradictions...

That is... There is a chance that that is not impossible.

That reminds me... Why was I able to traverse that freely within the tower..?

Eh?



During ***Rear Admiral Toujou Fukami***'s investigation, that sort of possibility was hinted at.
It's a characteristic of the existence of what's called a ***singularity***.
The ability to ***perform solo*** within the tower...

...So besides calling the tower a singularity, there were abilities as well...
It's only a hypothesis, however...

Okay, next I'll point out the biggest contradiction! ♡
Assuming you did directly come from the year 2012...
ゴクッ…

...Well then, who was the Hazakura that was here until half a year ago?

I was... here?!
Eh..?!

An impostor?
If you're the real Hazakura, then who was he?
You were! As if it were the usual.
Toujou..?
That isn't possible!!
Motoya was...
もじもじ
That Motoya was...
スッ

!!!
Himari bonded with Hazakura...
EH..! ME AND...
CAPTAIN TOUJOU..?!
ゴクッ
SFX: Gulp

Captain and I...
W-W-W... What does she mean by that?

You drank...
So you drank...
So you drank, did ya?

Zzz
!!?
Erm... Is this that stuff?
It's like sleep medication...
If you're sleeping, we can do various research on you!
Don't worry! We won't bite! ♡
Please... treat me well...

Ugh...
My head's throbbing...
Uh!!
U-Ugh...

Well... Nobody watching over me probably means that the doubt's been cleared...
!?
Before I even noticed, I was left with just my pants...
Somehow, I get this vibe that somebody was secretly playing a prank on me...
This place is... A girl's room?
So... Captain Toujou's room?
...Although, now I'm interested about the words she whispered to me just before I was put to sleep...
How Captain Toujou and I bonded?

That... In other words...
EATING TOGETHER...
GOING FOR DRIVES...
DATING...
OR MAYBE EVEN...

THIS AND THAT..!!!
Motoya...
ヘックシ
SFX. Sneeze

Nobody's... here, I think...
...That said, it's cold, ain't it...

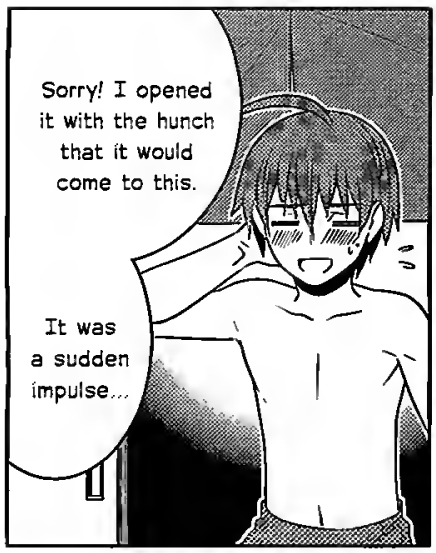
However, it's a huge house, isn't it...

...This is that sorta thing, huh!
An event flag!
A bath..?
Who's inside?
Allllright...

!?
I KNEW IT..!!

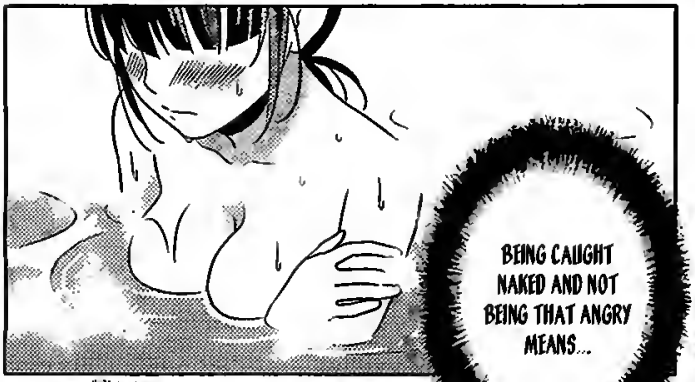


Sorry! I opened it with the hunch that it would come to this.
It was a sudden impulse...

M-MOTOYA! WHY ARE YOU HERE..?!!
ミシャ

I'm sorry, but please wait in the previous room.
Anyways, I... I want to get out, so...
.....

...Huh? You're not really angry at me?
?



BEING CAUGHT NAKED AND NOT BEING THAT ANGRY MEANS...

IIS BONDING TOGETHER REALLY WAS TRUE?!!

Get out of the bath!! It's at the end of the hallway, to the left!!!
Y-Yes ma'am!
.....
...Motoya?
Erm... Previous room..?
!!
SFX: Slide

Toujou...
ポーッ…
W-What's wrong? That face you're making...
?
Here... I only have the clothes you left half a year ago, but...
アハハッ…
Captain Toujou is just too pretty, so...
Ah, it's nothing.

S-Sorry... I wasn't thinking...
Wha-
P-Please do not say such absurd things!
Um...
really...
W-What is it?
Erm... It's not that big of a deal, but...

Well...
If you have something to say, why not say it?
Did you really bond with me?

ビクッ
Did you already forget about that?!
は…
S-Sorry about that...
...Ah, no...
It's not that you forgot, it's that you "don't know", right...
スッ…

ギュッ

カヤーッ
makes me happier than anything...
You coming back...

グイッ
U-Um!
H-How's Veena?!

キュッ…

SFX: Clench

E-Erm...

That Irregular has been entrusted to the Hiwatari Organization for the time being.
As you would expect, it is just not possible to leave somebody you do not quite know inside of Hiwatari Nomiya's secondary residence, therefore...
...I believe you.
Please do not worry. It was absolutely not of ill intent...
ﾍﾍﾍﾍ
?
?
W-What's wrong?

Eh-
ビキッ
もじ
Even though I informed you with such happiness placed in those words...

I am sulking in response to you not giving me any reaction.
S-Sorry..!
I still don't quite understan-
そっ…
As you really did suddenly appear from three years ago,
you are unable to grasp the sense of distance from me, right...
No, it's alright.
By reading you with the Link, I could tell that you did not lie.

...Hey,
your heart's really beating, isn't it...
Somehow, I'm being lured in...
...and now even mine is beating...

MY FIRST KISS!!!!
はっ?!
プシュー

Erm... A-Anyways! What should I do..?
Mo... Motoya..?
Do..?
Ah..! You used to stay here!
Like, where do I sleep..? My house?
Heh... Here, huh...

Eh-
?
THAT MEANS, I HAVE TO STAY HERE TODAY?!!
That's correct.
H... Here?!
SERIOUSLY ..?!!
Even his first night too?! ♡
